The Wellness Fund is a grant program offering funding to nonprofit organizations that have programs or projects positively impacting maternal/child well-being in Doña Ana, Hidalgo, Otero, Sierra, Grant, Lincoln, and Luna Counties.

"Through this scholarship we hope to not only provide financial assistance to area persons with Down syndrome to pursue their passion beyond high school, but to also use it as an awareness tool for southern New Mexico parents and help them realize that their child with Down syndrome can live a rich, productive life and contribute to society."

"When you can do something that is as simple and inexpensive as providing eyeglasses to help children who can't see or have difficulty seeing, it's a no brainer."
